Babbacombe Beach is a popular resort on the north-eastern shores of the promontory which forms the northern extremity of Tor Bay, whereon Torquay is situated. Here are found a fine beach, good boating and bathing, and an abundance of beautiful rural walks.

(FOR ADDRESS ONLY.)

I am sorry I cannot say a word in your ear or write all I feel; but between you & me—your sister & I can't give expression to my thoughts without her seeing it. you must know how frightfully jealous she is. Indeed you would never believe it really!

But there. I am forgetting to wish you the best of good wishes on this your Birthday. You must be getting old by this time for I think I have known you quite an age already. Your sister says you are really an awful old girl, but I can assure you I don't believe a word of it in fact she wants to present me thinking better of you there!!
